

PURPOSE

The purpose of the Quincy Valley Chamber of Commerce is the promotion of agricultural, civic, commercial, recreational, and financial interests of the citizens of the Quincy Valley and the preservations of the free enterprise system.

HISTORY

The Quincy Valley Chamber of Commerce has been serving the community and surrounding area since 1944. The Chamber of Commerce nationally and locally is the champion and corner stone of the private businessman of America.

All across America, Chambers (both small and large) rally to support the cause of free enterprise and the basic foundation of capitalism in this country. Thus, the small business owner, whether they be involved in retailing, farming, the professions, business/industry, etc. are directly and indirectly benefiting from the efforts of their local Chamber of Commerce. *The Chamber is their unified voice.*
